Dear Miss Ryan,
Due passage of time I cannot remember what I said on 28th Sept and I have to confess that I cannot remember where I filed the reply!! How ever I am more concerned with Knoyle Ward and there were no changes proposed to the Polling Stations in the Ward. The P.C's were happy!!

Dear Councillor Fowler

Firstly, please accept my apologies for not replying earlier to your email of 28 November (sent to Bryan Walker in Communications) regarding the Polling District and Polling Places Review consultation.

It is not our intention to circulate the proposed changes (not many will be made) on another schedule to members following the consultation and before Full Council I'm afraid. However, for your information I can tell you that there are no changes planned for Chilmark or Fonthill and Nadder Ward. I hope this is what you wanted to know.

Regards.
